ABOUT ME

I am a fresh graduate of the Diponegoro University, with a major in Computer Science/Informatics, who likes to create programs and design. Currently focusing in Mobile App Development, especially Front-End. And for design, I'm focusing in UI Design. I am a hard worker and I have deep concern to learn something new.

EXPERIENCE

Dinas Koperasi dan Usaha Mikro Kabupaten Blitar

Mobile App Developer Intern   *Jan 2021 - Feb 2021*
  • Understanding system requirements.
  • Designed UI based on the requirements.
